NEW TESTAMENT STUDIES

THE LIFE AND MINISTRY OF CHRIST

by **Weldon E. Viertel**

The knowledge of the Gospel of Mark is basic to a knowledge of the life of Christ. Various methods may be followed in presenting the activities of Jesus. The approach followed in this study guide is based on the general historical framework set forth in Mark's Gospel, with attention given to important teachings in Matthew and Luke which are not included in Mark.

EARLY CHURCH GROWTH: A STUDY OF THE BOOK OF ACTS

by **Weldon E. Viertel**

This study guide seeks to introduce Bible students to the Book of Acts and to lead them to an understanding of the struggle, victory, and development of the early Church. Attention is focused on the evangelistic outreach and doctrinal issues of the young Church which had been commissioned to carry the gospel to the ends of the earth.

THE TESTING OF FAITH: A STUDY OF HEBREWS, JAMES, 1 AND 2 PETER, JUDE

by **Weldon E. Viertel**

The theme which ties together these five epistles (often called Jewish Christian writings) is the suffering of the recipients. The purpose of each author was to give encouragement to Christians whose faith was being tested. Although physical persecution is not a present-day threat for Christians in most countries, a subtle form of spiritual and mental persecution continues through the critical remarks of unbelievers. In order to encourage persecuted Christians, these books focus attention on future hope.

THE GOSPELS AND EPISTLES OF JOHN

by **Weldon E. Viertel**

The Fourth Gospel was written to lead to faith, and the Johannine Epistles were written to give instruction in living the Christian life. A study of these books should help prepare a person to live the abundant life. The Epistles are studied in conjunction with the Gospel because of their similarity in content.

THE VICTORY OF THE LAMB

by **Chester C. and Bonnie Ball O'Brien**

A study of the Book of Revelation by these authors summarily explains in simple English the actual meaning of the text. It reiterates God's love and power, redemption, and the Holy Spirit's present work.
