ISRAEL AS A NATION by William L. Pope

This book continues the study of God's chosen people—Israel. It takes up where *Studies in the Pentateuch* leaves off—on the Plains of Moab. The student is then led through the conquest of Canaan, the period of the Judges, the United Kingdom, the demise of the nation, and its restoration. Moses, Samuel, Saul, Jonathan, David, Solomon, Elijah, Elisha, Nehemiah, Ezra, and many other important characters in the nation's history are highlighted.

JEREMIAH AND EZEKIEL by A. J. Glaze

Jeremiah and Ezekiel is a study of the ministry of two major Old Testament prophets who, commissioned by God, preached doom and hope to the nation of Judah. The book traces the call and ministry of these two distinctly different personalities who, through suffering and discouragement, remained unyielding in their faithfulness to bear God's message to a people who responded with deaf ears. The story portrays a loving but stern God who takes redemptive measures to restore His people to fellowship with Himself.
