OTHER OLD TESTAMENT STUDIES

2

This book relates the development of God's chosen people of Israel through the conquest and settlement of Canaan; the rise and division of their kingdom; and their exile and restoration. It shows God's loving leadership and His purpose in history that has been, is being, and will be worked out to its fulfillment.

ISRAEL AS A NATION
by **William L. Pope**

BSPH Art. No. 72225

THE EARLY PROPHETS OF ISRAEL by **Weldon E. Viertel**

This study surveys the rise of prophecy and the messages of Hosea, Amos, Micah, and Isaiah. Students will profit from the study of this book which deals with an important aspect of God's revelation and warning to His people at a time of national crisis.

5

6

This is a study of the ministry of two prophets who, commissioned by God, preached doom and hope to the nation of Judah. The book traces the call and ministry of these two different personalities who, through suffering and discouragement, remained faithful in bearing God's message of judgement and redemption to an unresponsive people.

JEREMIAH AND EZEKIEL
by **A. J. Glaze**

BSPH Art. No. 72242

BIBLICAL BACKGROUND STUDIES

THE BIBLE AND ITS INTERPRETATION **Weldon E. Viertel**

This study guide is concerned with the nature and authority of the Bible; the origin and canonization of the books of the Bible; and the study and historical interpretation of the Bible with the application of its truths for our times.
BSPH Art. No. 72201

1

2

A survey of the political, geographical, and cultural background of the Old Testament is the focus of the study guide. Important archaeological discoveries are reviewed, and the histories of nations which affected Israel are summarized. The political and religious histories of Israel and the geographical features of the land are outlined.

THE OLD TESTAMENT WORLD
Weldon E. Viertel

BSPH Art. No. 72219

NEW TESTAMENT BACKGROUND **Weldon E. & Joyce G. Viertel**

The historical geographical outline set forth in Unit 1 gives a concrete framework for relating the development of literature and Jewish concepts. Unit 2 surveys some of the literature of the Babylonian, Persian, and Greek periods. Unit 3 summarizes the religious developments of Judaism before and during New Testament times.
