TLHOGO YA GOMPIENO: LOKWALO LWA DIANE

Temana ya TLHOGO: "Tsla ya sekele e
siane mo matlhong a ^{se} ~~se~~, nne ~~mo~~
motho yo o botlhale o reetsa kgakololo"
(Diane 12:15).

~~Thuta~~

Mogogi wa Thulaganyo:

Lokwalo lwa Diane mo Testameng
e e kgologolo ^{le} ~~le~~ ^{le} ~~le~~ kwalwa ke Solomone,
Solomone o ne a le morwa kgosi ~~Da~~ Tafita
le Bathesheba. o latetse (tlhona gantse)
ragwe jaaka kgosi ya Israele. o ne a
itsege go tse kaga botlhale jwa gagwe. Mo
dikgweding tse tharo tse di tlang re tla
ithuta ~~st~~ mekwalo ya gagwe mo lokwalong
lwa Diane.

KAROLO JA NTLHA:

Baebele ya re bosigo bongwe
Modimo o buile le kgosi Solomone mo torong.
Modimo o mo reile wa re, "... kopa se ke tla
se go nayang" (1 Dikgosi 3:15).

Solomone o ne a seka a kopa
dikhumo. o ne a seka a kopa maemo a a kwa

godimo lefa e le nonofo. O reile Modimo
a re, "Naya motlhanka wa gago kgopolo
e e tthaloganyang go busa batho ba
gago, gore ke farologanyane molumo le bosula
; gone ke mang yo o kgonana go busa
batho ba, ba gago ba ba yolo?" (1 Dikgosi
~~Modimo o ne o itumetse~~ 3:9).

Modimo o ne o itumetse ka
gore Solomonone o kopile tthaloganyo Modimo
o reile "... ke go naya o kgopolo le botlhale jo
bo tthaloganyang; gore go se se go ke go
nne ope yo o jaaka wena pele ga gago,
nne gago kitha go tsoya ope ~~moya~~
morago ga gago. Ke go naya gape se o sa
se kopang, tsoo-pele dikhumo le tlotlo
..." (1 Dikgosi 3:12, ~~13~~ 13).

Bontsi jwa lokwalo lwa Diane
lo ne lo kwachile ke monna yo, Solomonone
o kopile nne o amogetse botlhale jo bogolo
mo Modimong.

Karolo ya Bobedi:

Seane ke puo e khutshane. Diane
tsa ga Solomonone di ne boletse gore ~~ne~~ go
bona ^{jang} botlhale le boitumelo ~~jang~~. Dingwe
tsa dipuo tsa botlhale tse Solomonone o di
kwachile mo lokwalong lwa gagwe ke tse.

* "Morwa yo o botlhale o itumedisa
rrague, nne morwa yo o seleele ke
khutsafalo mo go mmagwe." (Diane 10:1).

"Mosadi yo o siameng ke serwala
sa monna wa gagwe" (~~Diane 12:1~~).

mme go o le leng ditlhong o ntse jaaka
sebody mo marapong a gagwe." (Diane 12:4)

~~"Dijo tsa merogo.~~

"Go botoka dijo tsa merogo fa go
nang le lorato go na le kgomo e e nonneng
mme go na le kilo mo go yone." (Diane 15:17).

"Phetolo e e molomo e thibosa
bogale, mme lefoko le le tlhokofatsang le
tlhotlheletsa bogale." (Diane 15:17).

Modimo o file Solomone tse le the
dingwe diane. Modimo o batla go bua le
rona ka thuto ~~o~~ ka mafoko a Solomone
o a kwadileng. O batla go re supetsa tsela
go tshela botshelo jwa tshiamo fa pele ga one.

Karolo ya Boraro:

Solomone o ne a le monna-mogolo
fa a kwala lokwalo lwa Diane. O ile o kwala
go thusa ba ba leng bannye. Solomone o
tshedile botshelo jo bokele. O ne a sa dire ka
metlha dilo tse di siameng mo botshelong jwa
gagwe. Mme o ne a ithutile thata ka tlhaloga-
nyo. O kwadile gore, "motho go o botlhale gape o
ka utlwa mme a oketse mo go ithuteng le
motho wa tlhaloganyo." ^{ma} ~~tsetseleko~~ (dikitsa).
(Diane 1:5). Gape o kwadile gore, "... Motho go o
botlhale o reetsa kgakololo." (Diane 12:17).

Re ka itse dilo di le dintsi, mme re ka
ithuta thata ka metlha mo go ba ba ntseeng le
tlhaloganyo e kgolo. Re tla mma botlhale fa
re reetsa dipuo (mafoko a) tse di boleletseng
Solomone ke Modimo.

Karolo ya Bone:

Solomone o kwadile gore, "Paifo Modimo ke tshimologo ya kitso..." (Diane 1: 7).
 A temana e e raya gore re ~~re~~ boife Modimo?
 Re tshwanetse go tshaba go tlotlola Modimo. Mme Solomone ga a reye gore re tshabe Modimo. O raya gore re tshwanetse go gakologela ka metlha gore Modimo o mogolo thata. O na le nonofo yotlhe kua legodimong le mo lefatshing, o tshiamo. o tshatekanyo. O dira ditiro tse dikgolo le tse di gakgamatsang. ga

Reletmongwe a ka nna botlhale, o tshwanetse go tla mo Modimong. O tshwanetse go amogela poloko ya Modimo. O tshwanetse go obamela Morena, jalo o ka simolola go ithuta tsela ya botlhale.

Mogogi wa Thulaganyo.

Jaaka re ithuta diane tsa ga Solomone, a re kopeng Mowa o o Bortshapho go bula dipelo tsa rona go thaloganya molaetsa wa Modimo mo go rona. A re eltseng go ithuta. A re balleng go golela mo kitsong le mo botlhaleng.

A re gakologeleng gore "Tsela ya seelake e siame mo mathong a rone, mme motho go o botlhale o reetsa kgakole" (Diane 12:15)

Temana ya Tlhogo: "Mo ditseleng tsotlhe tsa gago, mo ikitse, mme o tla tshamalatsa ditselana tsa gago." (Diane 3:6).

Mogosi wa Thulaganyo:

Gompieno re tla ithuta mo go Diane kgolo 3. ke tla bala ditemana 1 go ya go 8. (Bala Diane 3:1-8)

Modimo o na le leano la botshelo jwa motho mongwe le mongwe. Ditemana tse re di badileng. mo Baebeleng di re bolelela dilo dingwe tse ~~di~~ ~~di~~ ~~di~~ Modimo o batlang re di dira. Di re ~~bolelela~~ bolelela dituelo dingwe tse o solofetsang go re di naya fa re latela ditsela tsa One. Jaaka re ithuta gompieno, a re kopeseng Modimo go re thusa go utlwa ka dipelo tsa rona ~~me~~ molaetsa wa One.

Karolo ya mela:

Gantsi titshere o raya baithuti ba gagwe a re, "Lo seka hwa lebala se ketse & rutang." Modimo wa re, re seka va lebala ditaolo tsa One. Re tshwanetse go tshgetsela melao ya One. Re tshwanetse go e tshgetsela

Karolo ya ntlha:

BOAKA. ~~Diane~~ ^{Di} Lokwalo lwa
Diane lona le go le gontsi go go bua
kaga boaka. "Go o dirang boaka ga a na
tlhaloganyo; go o bo dirang o a itshenya"
(Diane 6:32).

Boaka bo iditwe ke Modimo.

Mongwe wa Melao e e Sone wa re, "O seka wa

dira boaka" (Ekeroda 20:14). Makanyo ya Modimo ke ya monna a le mongwe-fela le mosadi a le mongwe-fela go tshela mmogo jaaka monna le mogatse. Fa re sa letele beano la Modimo mo go se, go le re tshenyo le bofutsana fela mo matsheloy a rona. Mosadi o tsile go neela Modimo botshelo jwa gagwe. O rile, "Rapelelang bana ba me. Ba tshela matshelo a a tletse sebe." Jalo o rile, "Fa ba ne ba le banyane ke ne ke sa ba goge ka tsela e e siameng. ke ne ke tshela mo boakeng fa pele ga matlho a bone jaanong ke dulela dibe tsa me."

Boaka bo senya matshelo a mantši le magae a mantši. Mokeresete a seka a dira boaka.

Kerolo ya Bobedi:

LEFUFU^A, "Kgalefo e setlhogo, kgakalo e a khuvumetsa; mme ke mang yo o ka emang fa pele ga lefufa?" (Diane 22:4)?
 lefufa ke sebe se sengwe se se senyang matshelo a rona. lefufa ga le ame motho yo mongwe; mme le re ana thata. ke kgato ya pele go ya kwa bopelotshetlheng, kwa bofelong le kwa kilong. Gantsi le gogela kwa maakeng, kwa tseboeng le kwa pateletsong. le tshwana le kankere e e jang mowa. Motho yo o lefufa ga ana kagiso kana boitumelo. Mokeresete o tshwanetse go loka ka metlha go leleka

lefufa mo botshelong jwa gagae. Modimo
o tla re fa. nonofo ya one go fenywa lefufa
mo matshelong a rona

Karolo ya Boraro:

PUSOLOSO. "O seka wa re, 'ke tla
o duela bosula; emela (leta) Morena mme
o tla go thusa'" (Diane 20:22). "O seka wa re
ke tla mo dira se o se ntirileng; ke tla
duela motho ka se o se dirileng" (Diane
24:29). Se ke tsela ya ~~yapeta~~ lefetshe. Fa re nna
Bakeresete, re ~~latta~~ chitsela tse dikgologolo
tse sebe. Re apara. kerese. Re leka go tshelela
jaaka a re ntile go tshelela. lefa a ne a
sule mo sefapaanong, Jesu o rapelletse
ba ba mmolaileng. O rile, "Dara, ba itshwa-
rele, goune ga ba itse re ba se dirang."
(Luke 23:34). O re boelletse go itshwarela ba
ba re fetsang. Paulo o kwadile mafoko
a, "Baratiwa, se ipusolotseng, mme lo
bogolo lo neye bogale sebaka; goune go
kwadilwe ga tse, Pusoloso ke ya me, ke
tla duela, go bua Morena" (Baroma 12:19).

Karolo ya Bone:

MABELA. Mabela a tsamaya fa pele
ga tshenyego, mme mowa o o ikgodisang fa
pele ga go-ua" (Diane 16:8?). Matlho a a
kalegileng le pelo e e ikgodisang, lobone lwa
baiketsi ke bolee" (Diane 21:4). Gape re
bolelwa mo go Diane 8:13 gore Modimo
o itla mabela.

Mokere se ga a tshwanela go nna le mabela mo botshelong jwa gagwe. & Gotlhe mo re nang le gone go tswa kwa Modimong. "Khumo ngwe le ngwe e e molemo le mpho ngwe le ngwe e e molemo e tswa kwa godimo e fologa kwa go Rara ..." (Jakoba 1:17). Mo teng ga rona ga re sepe. Gotlhe re ntse jaaka go o lewe, mme ditiro tsa rona tsothe tse di siameng di ntse jaaka seaparo se se lewe" (Isia 64:6). Mabela ke sebe se re tshwane- tseng go se ntsha mo matshelong a rona. Modimo o tla re fa nonofo go ntsha mabela mo matshelong a rona.

Mogogi wa Thulaganyo:

Dilo tse re di ithutileng gompieno tsothe ke dipe tse di tla senyanga matshelo a rona: boaka, lefufa, puso, mabela. Di tla re ita go itumela. Di tla senya tshupo ya rona mo go Jesu. A re, ka thuso ya Modimo, re latlhe ng dipe tse mo dipelong tsa rona le matshelong.

Tlhogo ya gompieno: LORATO, TSELA E ENTLE BOGODI

Temana ya Tlhogo: "Kilo e tsosa kgang,
mme lorato lo bipsa
ditlolo tsethe" (Diane 10:12).

Mogogi wa Thulaganyo:

Gompieno re tla ithuta kaga lorato.
Baebel e bua thata kaga lorato. Paulo a re
mo go 1 Bakorinta 13:13, "Jalo tumelo, le
tsholefelo, le lorato di a sala, tse tharo tse,
mme se se golo mo go tse ke lorato." Maungo
a ntlha a Morwa o o Boitshepo a a boletsweng
mo go Bagalatia ke lorato. Temana ya rona
ya tlhogo e re bolelela gore lorato lo bipsa
ditlolo tsethe. Lorato ke se se tlokegang mo
lefatsheing gompieno.

Kavolo ya Ntlha:

Bogosi jwa Modimo bo agile ka
lorato. "Gonne Modimo o ratile lefatshe mo go
kalo gore o ntse Morwa one go o esi, gore lefa
lefa e le mang go o dumelang mo go ene
a seka a nyelala mme a bone botshelo jo
bosakhutleng" (Johane 3:16). Modimo o rometse
Morwa one ka gore o re ratile. Jesu o swetse
dibe tsa rona ka gore o re ratile, re laelwa

go tshela ka tsela ya lorato.

Jesu o rile go na le ditaelo (melao) tse pedi tse dikgolo. Ya pele ke go rata Modimo ya bobedi ke go rata bang ka rona (bakauleng). (Bala Mathaio 22:37-39). Mo go Luke 6:27 re bolelelwa go rata baba ba rona. 1 Johane 4:7,8 o re bolelela gore, "Barati^{wa}, a re rataneng; gonne Modimo o lorato, mme yo o ratang o tsetswe ke Modimo mme o itse Modimo. yo o sa ratang ya a itse Modimo, gonne Modimo o lorato."

Karolo ya Bobedi:

Bakeresete ba laelwa go rata jaaka Jesu a rata. o rata batho botlhe. ga a rate Bakeresete fela. o rile o tsile go batla le go boloka badibe. ga a rate ~~fela~~ ba ba mo ratang fela. o ratile le eleng bone ba ba mmolaileng. o rapetse Modimo go ba itshwarela. Baebeleng ga e re batho botlhe ba tla re rata. ga re, re rate batho botlhe. Batho bangwe ba tla re ile. Bangwe ba tla bua dilo tse di maswe ka rona. Bangwe ba ka leka le eleng go re utlwisisa-botlhoko. ~~go~~ ~~re~~ ke santse re bolelelwa mo Baebeleng, "Mme ke lo raya ke re, Ratang baba ba lone, mme lo rapetse ba ba lo bogisang (Mathaio 5:44).

Karolo ya Boraro:

Mofuta wa lorato lo re tshwanetseng go nna le lone ke mofuta wa go akanyetsa

batho ba bangue fela. Ke lorato lo lo batlelang
 ba bangue dilo tse di ntle bogolo. Ke lorato lo
 lo re dirang go direla ba bangue molemo.
 Bagalatia 5:13 a re, "... ka lorato nna o batlhank
 mongwe mo go yo mongwe."

Baebel e tlhalosa lorato lo Bakeresete
 ba tshwanetseng go nna le lone ka tsela e:
 "lorato lo pelotilele le ~~molomo~~ pelononyi, lorato
 ga lo pelotshettha ga gongwe go ^{mabela} ikgantsha;
 ga lo ke lo ikgantsha gongwe makgakga.
 Lorato ga lo itumelele tshiamololo, nne lo
 itumelela boamaruri. Lorato lo itshokela dilo
 tsothe, lo dumela dilo tsothe, lo solofela dilo
 tsothe, lo iphapaanya le dilo tsothe" (Bakorinta
 13: 74-7).

Karolo ya Bone:

Ja re kake ra pateletsa batho go

(1 Johane 4:2) Ke ka tsela e, e lefatshe le itseng Mokeresete; fa re na le lorato lwa Modimo mo go rona. "Re itse fa re dule mo losung re ga ile botshelong, ka gore re rata bakaulengwe. go o sa rateng o sala mo losung" (1 Johane 3: 14).

Mogogi wa Thulaganyo:
Satan e o leka go re kganela go nna le lorato mo dipelong tsa rona. O leka go re tlatsa ka kilo, bopelotshetlha, lefufa; dikgopolo tse di maswe kaga ba bangwe. Mme Jesu ka metlha o na le rona. Ga a killa a palelwa gope. Fa re mo letla go laola dipelo tsa rona le matshelo a rona, jalo lorato lo tla nna teng. ~~o~~ A o na le lorato lwa Modimo gompeino?

Jesu o rile, "Fa lo tshegetsa ditaolo tsa me, lo tla nna mo loratong lwa me, fela jaaka ke tshageditse ditaolo tsa ga Rre, mme ke ntse mo loratong lwa gagwe" (Johane 15:10).
